Poster Presentation -2

Dear Friends,

Greetings from RVS College of Nursing, Sular, Coimbatore and Vazhikatti Mental Health Centre and Research Institute, Coimbatore. We have great pleasure in inviting you to the State level Conference on "Nursing Management of Psychiatric Emergencies in General Hospitals" which will be held on 24th February, 2018

ABOUT R.V.S COLLEGE OF NURSING

The RVS College of Nursing was started in 1993 and we are celebrating our silver jubilee this year. The College is affiliated to The Tamil Nadu Dr. MGR Medical University and is recognized by the Indian Nursing Council, New Delhi and by the Tamil Nadu Nurses and Midwives Council, Chennai. R.V.S. College of Nursing is an ISO 9001:2008 Certified institution. The untiring efforts of the faculty members in the academic pursuit of the students are highly commendable. Our students are well employed in India and abroad. Our students are comprehensively being groomed through Research, SNA, Red Ribbon Club, Youth Red Cross, NSS & Community Activities.

ABOUT VAZHIKATTI MENTAL HEALTH CENTRE

It started in 1993 as a single room consulting office of Dr. K. Selvaraj, became Vazhikatti Mental Health Centre and Research Institute in 2002. Now, it is a 36 bedded, Government licensed, Psychiatric Hospital, with a complete team of Mental Health Professionals providing comprehensive Mental Health Care for the people of western Tamil Nadu. Second centre at Tirupur came up with Government license in 2014. In addition to specializing in Emergency Mental Health Care, Acute care and De-addiction, Vazhikatti Mental Health Centre & Research Institute started Child and Adolescent Psychological (CAPS) Clinic in 2012. With its adoption of digital technology, Tele-psychiatry is becoming an integral part of Vazhikatti Mental Health Centre & Research Institute, meeting the Mental Health needs and the aspirations of new millennials!

ABOUT THE CONFERENCE

Frequently, the nearest Hospital or Clinic is the first place where patients are rushed to, during mental health emergencies like suicidal behaviours, violence, agitation, confusions etc. Nurses are the frontline warriors in receiving and managing them. In those critical moments, if the receiving clinical nurse is resourceful with right knowledge, skill and attitude, she can quickly defuse the crisis and prevent complications and loss.

This conference is an effort to empower the clinical nurses in General Hospitals/Nursing Homes in managing mental health emergencies.

THEME

Equipping Clinical Nurses to handle clients with Psychiatric Emergencies.

OBJECTIVES

- To highlight the common mental health emergencies that clinical nurses may have to encounter
- To empower nurses with knowledge of the nursing management strategies

BENEFICIARIES

- Staff Nurses
- Research Scholars
- Nursing Faculty
- Nurse Administrators
